Enjoy a whole new level of banking and shopping convenience. Use your Debit MasterCard® to pay for purchases without cash, checks, or credit cards. It works just like a credit card – funds are deducted automatically from your checking account with no finance charges or payments required.

✓ **Where can I use my Debit MasterCard®?**

You can use your new card anywhere Debit MasterCard®, is accepted: retail stores, restaurants, supermarkets, airlines, etc. In addition, get instant cash at thousands of ATM locations displaying the Pulse®, MoneyPass® or Cirrus® network symbols.

✓ **How do I use my Debit MasterCard®?**

When purchasing an item or service, simply choose “credit” and sign a sales slip or choose “debit” and type your PIN. The purchase amount will be withdrawn from your Checking Account. At an ATM, use your Debit MasterCard® just as you would your ATM card, choosing to withdraw from share savings, Value Checking Plus, or Share Draft/Checking Account, 24 hours a day, seven days a week.

✓ **What are the benefits of using my new Debit MasterCard®?**

There are no monthly or annual fees, no finance charges, and no transaction fees other than at non-VacationLand FCU ATMs.

✓ **How do I keep track of my purchases?**

You will receive a receipt with each Debit MasterCard® purchase and ATM transaction. Simply record the amounts in your check register.

✓ **What accounts can I access?**

Debit MasterCard® purchases will be withdrawn only from your primary Checking Account. You can also make deposits at most VacationLand Federal Credit Union ATM locations.

✓ **What about fees?**

There may be a \$.50 fee when you use your card for a point-of-sale purchase, which requires entering your Personal Identification Number (PIN). You can use your card with no charge at all VacationLand FCU ATMs. However, there may be a fee for any withdrawal, transfer, or inquiry made at a non-VLFCU ATM.

✓ **Are there spending limits for my Debit MasterCard®?**

You can spend up to \$1,500 per day. At the ATM, you can withdraw \$500 per day. For international internet transactions, you are limited to \$300 daily. (If available in your account.)
