balance

for all your financial needs

Get the power of cash in a conveniently compact piece of plastic. With the Visa® Platinum, you've got all the purchasing power you need and the freedom to spend it anywhere.

Use it wherever Visa® is accepted, and benefit from the superior advantages the Visa® name brings while still enjoying the personal service you've come to expect from VacationLand FCU. Get rewards, low rates, and easy card management all in one convenient card.

If credit card finance charges and annual fees leave everything else "hanging in the balance", then transfer it. Your balance, that is.

Right now, when you transfer your higher interest credit card balance onto our Visa® Platinum Credit Card, you can start saving money and shift the balance of power in your favor. With more of your payment going toward the principal instead of the interest, it's a great way to keep your finances on an even keel.

✓ **Visa® Platinum Benefits:**

- Low variable interest rates
- Low minimum payments
- No annual fees
- 28-day grace period for repayment of balances for purchases
- Full 24/7 fraud protection
- Multiple payment options, including mobile banking, internet, automatic, or in person
- Manage your account in real time at "It's Me 247"

Plus, every time you use our Visa® Platinum, you earn Reward Bonus Points that can be redeemed for merchandise, airfare, and much more. You can manage your points online at www.scorecardrewards.com. You can also obtain account summary information, payments, and transactions at "It's Me 247".
